**Do you have a photo?** Please consider including a personal or family photo with this form. The picture does not need to be formal or professional — it is not for publication. It will simply help the priests and parish staff recognize you and your family.

## Additional Family Members

Please include additional members of your household below. A household consists of those children and adults who live together in the family home as well as those who consider the family home to be their permanent address (e.g. college students). Grown children who live outside the home should be encouraged to register their own household in the parish in which they participate. Attach additional forms as needed to accommodate each family member.
