

Dear Parents:

**Please read.**

Below is the game day work schedule for the Trinity Saints home games. Myself or someone from the administration staff will be at all home games with you.

Only one parent is expected to work. If you are unable to work the night you are scheduled, you must find a replacement or switch with another parent and let me know. It is extremely important that everyone does his or her part to make our athletic program run smoothly and be successful. When you are scheduled to work, you are to work all the games scheduled that night. **You need to arrive at the school 30 minutes before the start of the first game and stay through the completion of the last game and cleanup of your area.** Clean up procedures will be posted on the wall in your assigned area.

**NOTE: New this year you will find a cash box log sheet where we will be documenting both the admission and concession stand cash flow in your cash box. This is extremely important and this procedure will also be noted on your clean up sheet.**

If you know someone in middle school or high school that needs hours please let me know and we will find them an empty spot working the clock or book at any of our home athletic events. If you are also available to work any blank spot please let me know ASAP so we can have all games filled before the start of the season.

Thank you for all that you do and Go Saints!!!

Nicole Kasprak  
Athletic Director
