Welcome to the 2021-22 School Year

For those that are new I am Nicole Kasprak and I am the Physical Education and Athletic Director here at Trinity and I am excited to start my 8th year here at TCA!!!

A little about me...

I attended Western Illinois University with a soccer scholarship and graduated with a degree in Kinesiology. I hold an active and up to date teaching certificate in Physical Education and Health grades k-12.

I taught kinder-12th grade for 7 years before choosing to stay at home for 2 years with my first 2 kids. I have also coached 4th grade all the way to collegiate athletes from AAU, public, and catholic schools for over 20 years now.

On a personal note...

I am married to a wonderful man, from the area and a LaSalle Catholic alum. We have a 9 year old, Jake, who attends 4th grade here and a 7 year old, Kylie, who attends 2nd grade here. Our youngest, Ella, is not in school yet, but you will see her often at the school.
