

Looking to Coach at TCA?

“Be a Somebody who makes everybody feel like a somebody” -unknown

Trinity Catholic Academy has an outstanding athletic and co/extra-curricular programs rooted in faith first. We also realize that our students will move on from Trinity and we want to make sure that whatever path they choose they have the fundamentals and confidence to do so. No coaching experience is needed, but when assigning coaches we want to have a reference of experience to look back on. I look forward to hearing from those interested and working together to build fundamentally sound student-athletes, but more importantly well-rounded confident members of our community. Thanks for all that you do and without you our student-athletes would not succeed.
