WHAT OUR STUDENTS ARE SAYING

I love TCA because it has nice teachers and friends. It's a great school to learn new things. **—Maizy Wisen, Kindergarten**
 I want to be a Saint because I want to be good, love God, and help the world. **—Jonathan Garcia, 1st grade**
 TCA makes me a better person. When I walk in those doors, I know the Father is with me all the time. I love TCA because we learn, love and pray every day. **—Aubrey Urbanski, 1st Grade**

It is a great school with so many great teachers like mine. Mrs. Picco is a very nice woman with a lot of knowledge. She always has support for what we think is the right answer, but it is the wrong answer. She is happy that we try our best for the day and on our work. **—David De La Torre, 2nd Grade**

I like going to mass during school and having Fr. Carlson and Fr. Valle visit our classroom. **—Danny Garcia, 3rd Grade**

When I first came to TCA, I was nervous but Mrs. Happ helped me and so did all the students. **—Lillian Pollnow, 3rd Grade**

I want to be a saint because I want to be remembered as someone of God. I also want to be a sister or a martyr because they are special people of God. A saint has a special job. It is to carry God's word or carry God's mission. I want to carry God's mission. I would LOVE for God to be that proud of me. **—Gabriella Bulak, 4th Grade**

All my teachers have put so much love into me. It's such a privilege to be a part of their catholic education. The teachers are unbelievable. **—Keily Domyancich, 4th Grade**

Father Valley has shown me that I can be a Saint if you can believe in yourself (be a good friend to your priest and friends). **—Kelsey Frederick, 4th Grade**

I like TCA because it's fun. We are given the chance to do different things on teams like speech, Scholastic bowl, and other sports teams. **—Giovani Legrenzi, 4th Grade**

I love TCA because of the nice teachers, students, and Priests who help me to be a better Christian. When my old school, St. Louis, closed, I was very upset and worried. Then I visited TCA and I knew that I had found a new home. I'm so thankful to God for answering my prayers. I look forward to the many years of memories that are sure to be made through sports, academics, and friendships. **—Sara Ruiz, 4th Grade**

At Trinity Catholic Academy when you get into fifth grade you can do sports like basketball, volleyball, and track. These sports are so much fun to play with your friends and even people you have not met or gotten to know well. My most liked part of going to Trinity Catholic Academy is in the morning when the whole school gets together to pray. It's really nice to have the whole school together. That's why I love Trinity Catholic Academy.

—Alexis Bubela, 5th Grade

Since we go to a catholic school, we can learn about God and how to act like Jesus. **–Noah Zebron, 5th Grade**

“Catholic education is above all a question of communicating Christ, of helping to form Christ in the lives of others...” said Pope John II. Catholic education is an easy and simple way to communicate with Christ and that may be a possibility why many people have Catholic education today. We need to communicate with God so he can help us in our life. We need to spread the word about Him and convince people to believe in Him. By doing so, we will make the lives of those who believe him happier. **–Rubi De La Torre, 6th Grade**

I want to be a saint because a saint is a person who created a miracle or helped mankind. Saints are noticed as a good people. Some people look up to saints and it would be cool if someone wanted to follow in my footsteps. **–Mariella Hermes, 6th Grade**

Thank you TCA for all of the past and I can’t wait for an amazing future! **–Callan Hueneburg, 7th Grade**

Being a Saint and having our final destination as Heaven is what we’re taught is our overall goal in life. Therefore it is a privilege to call ourselves Saints by being a student a Trinity. Belonging to the ever growing family of TCA makes everyone who attends TCA a Saint, regarding whether or not they participate in sports, their grades, or popularity. **–Anna Lopez, 7th Grade**

We decided to make a move in March of 2017 to shadow TCA. I took one day out of my spring break to shadow the 6th-grade class. I was warmly welcomed and excited to join the large community of TCA. **–Thomas Makransky, 7th Grade**

All of my classmates motivate me to do my best everyday and show what I know. **–Lia Bosnich, 8th Grade**

Catholic education is important to me. It helps me and other children start on the right foot in life. Catholic education taught me about my faith and helped me set up values to live by. Catholic education helps set the foundation of students’ morality.

–Deborah Daluga, 8th Grade

There are many reasons to love Trinity Catholic Academy, but none more sincere, important or true than “being in the company of Christ”. At TCA, Christ is at the center of it all. He is not only visible, and celebrated throughout, but his presence is undeniably felt within all my peers and all the staff. In our Catholic faith it has well been recognized that the home is the domestic church and TCA is nothing short of an extension of all our homes. From the moment I began attending TCA, in preschool, to this my final eighth grade year I have been strongly encouraged to continue God’s work and to spread the Kingdom of God. At TCA the first rate academics are complemented with the true Catholic foundation for a never ending, truly meaningful life. **–Amilia Sanchez, 8th Grade**
